

# Yundi's Hurt...

and he rides to the hospital in the ambulance with EMT Frances

Miss Frances rode with Yundi to the hospital. She has an important job. She is called an Emergency Medical Technician.

**Check all the things EMT Frances does:**

Drives the ambulance

Sits with patients in the ambulance

Provides emergency medical care, if needed, on the way to the hospital

Yundi cried on the way to the hospital because he was scared.

**Circle what EMT Frances did to make him feel better:**

Called Yundi's mom and told her where to meet them at the hospital

Gave him a candy bar

Held his hand and told him it was okay to cry

What scares you about going to the hospital?
