

# Wendy is Cool In School!

Wendy knows when it is ok to talk in class. That makes her cool in school

Wendy wants you to circle what to do if you have a question or know the answer to a question in class:

Shout it out

raise your hand and wait to be called on

do nothing

Circle when is it okay to talk in school

while the teacher is talking or reading to the class    in the cafeteria    in the bathroom

when a classmate asks you something during a test    during a fire drill    during recess

snack time    in the school yard    when the teacher is writing on the blackboard

when the teacher is helping another student    when the teacher is called out of the room

Circle when is it okay to shout out and not raise your hand:

when a classmate needs help because he or she is sick or injured    in an emergency

when you know the answer to a question    when you have to go to the bathroom
